HOME SELECTION

The Home Selection Form is a tool to help you focus on the home(s) you wish to secure at Naimo when it is offered for sale. The Home Selection Form is not a reservation, promise and/or guarantee of availability. One (1) Home Selection Form refers to one (1) home at Naimo. Should you wish to purchase an additional home, another Home Selection Form must be completed.

In order to be considered, please return this form to your Naimo Home Specialist.
